PAYMENT POLICY

As a courtesy, Allergy Associates verifies your benefits with your insurance company prior to your initial visit. A verbal quote of benefits is **NOT** a guarantee of benefits or payment. Your claim will process according to your plan. If your claim processes differently from the benefits we were quoted, the insurance company will side with the plan and will not honor the benefit quote we received.

It is the policy of Allergy Associates that **payment is due at the time of service**, unless other financial arrangements are made in advance. **We require all patients to pay their deductible, copay and/or coinsurance payment at the time of each visit.** The insurance manager will explain this information to you prior to your first visit. At the conclusion of your visits with us you may be billed for any outstanding balances. If there is a credit, you will be provided a refund.

Although we are contracted with most insurance carriers, our services may not be covered by your particular insurance plan. Being referred to our practice by another physician does not necessarily guarantee that your insurance will cover our services. Please remember that you are ultimately responsible for all charges incurred: you physician referral and our verification of your insurance benefits are **not a guarantee of payment**. You will be held accountable for any unpaid balances not paid by your health plan.

We highly recommend you also **contact your insurance carrier and check into your coverage for allergy services**. Do not assume that you will not owe anything if you have more than one insurance policy.
